PETITION UNDER 37 C.F.R. § 1.182

MAIL STOP PETITION
Commissioner for Patents
U.S. Patent & Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby petition under 37 CFR §1.182 to correct the name of the inventor, Charles Nicholas Hales to include his full name as opposed to the shortened C. N. Hales listed on the International application. A duly executed oath of the Executrix of Mr. Hales, now deceased, is attached along with a declaration of the Executrix as to the full name of Mr. Hales and an application data sheet as recommended in MPEP 605.04 (c). Please note that the error in the Executrix for the first named inventor, Cesar Milstein (deceased), is correct on the oath and declaration. The problem was a result of a typographical error in the International application. Also, the declaration has been re-executed by Celia Milstein in order to properly indicate the Executrix's (Celia Milstein) citizenship as well as noted on the application data sheet. As noted in MPEP 201.3, it is not believed that the petition is required to correct this error, however, in the event a petition is required, Applicants hereby petition to correct the full name of the Executrix of Cesar Milstein (deceased) to read Celia Prilleltensky Milstein.

A check in the amount of \$130.00 is enclosed to cover the petition fee.
